FAre

- **Where exactly is the Deutschlandticket valid?**
  The Deutschlandticket is valid around the clock, seven days a week on local public transport (2nd class) throughout Germany (not on long-distance trains: ICE, IC, EC, long-distance buses). Exceptions are the Intercity trains on the Gäubahn route (KBS 740 - Stuttgart-Singen), which can also be used with the Deutschlandticket. An official photo ID must be carried.

- **Additional passenger options and transferability**
  The Deutschlandticket is a personalised ticket that is not transferable. Children under the age of six travel free of charge; the ticket does not include any additional passenger options.

- **Inspection**
  The passenger in whose name the Deutschlandticket was purchased must be able to identify himself/herself at a ticket inspection with an official photo ID (issued by a public authority) and the KreisBonusCard. To ensure that the Deutschlandticket can only be used by the authorised person, the user’s first name and last name are printed on the ticket, as well as the contact details of the responsible Abocenter and the subscription number.

- **What happens if I cannot present a valid mobile ticket (e.g. battery empty, display defective, etc.) or have forgotten my chip card?**
  In this case, it is not possible for our ticket inspectors to check whether you have a valid ticket. You will therefore initially be charged an increased fare. However, if
you provide proof of the correct ticket purchase within one week, the increased fare will be reduced to seven euros.

- **What happens if the fares are increased?**
  The monthly amounts are automatically adjusted - but you have a special right to cancel in this case.

- **Can I take my bike with me on buses and trains and how much does it cost?**
  Bicycles can be carried free of charge on all naldo trains from Monday to Friday before 6 am and after 9 am and all day on Saturdays, Sundays and public holidays. It is not allowed to take bicycles on the Ammer Valley Railway (Ammertalbahn) in the direction of Tübingen during the period from 6 am to 9 am on Mondays to Fridays.

  Bicycles can only be taken on buses if this is indicated in the timetable by the bicycle symbol or if the transport company has announced this locally in the usual way. Bicycles can then be carried free of charge from 8 pm until 5 am the following day. Bicycles can be transported on RegioBuses X2, X3, X7 and 500 free of charge from Monday to Friday before 6 a.m. and after 9 a.m. and all day on Saturdays, Sundays and public holidays. It is not possible to take bicycles on the RegioBuses X340, 600 and 800. Bicycles can also be carried free of charge on the special leisure buses that include bicycle transport within the naldo area during the summer season.

- **How much is the fare for my dog?**
  We transport your dog free of charge within the entire naldo network.
